Analysis

This resolution accepts the terms of a cooperative purchasing master agreement for laboratory supplies for the water testing lab for the Department of Water and Sewerage Services (MWS). The master agreement is between The Regents of the University of California, a California public cooperative that operates on behalf of the University of California, and Fisher Scientific Company L.L.C. This master agreement is valid through June 30, 2025.

T.C.A. § 12-3-1205(b) authorizes local governments to participate in cooperative purchasing agreements with governmental entities outside of the state as long as the goods or services were competitively procured by the other governmental entity. T.C.A. § 12-3-1205(b) further provides that local governments may participate in a master agreement by adopting a resolution accepting the terms of the master agreement.

Metro has entered into several other master purchasing agreements, most recently involving automatic seating risers for the Nashville Municipal Auditorium (*See RS2021-1170*).
