Analysis

This ordinance amends Section 10.60.020 to amend when a renewal permit registration is due. Every person who owns, operates, or leases an alarm system within Metropolitan Nashville and Davidson County must register the alarm system with the Department of Codes Administration. The fee is \$20 annually for alarm systems on residential premises and \$50 annually for systems on commercial premises.

Currently, all alarm system permit fees are due April 1 of each year. The ordinance under consideration would provide that renewal permits are due annually on or before the end of the month in which the initial permit was issued. The ordinance would also provide a late fee of \$5 for any permits renewed after the due date.
