Analysis

This resolution approves the first amendment to an agreement between the Metropolitan Government and ZOLL Medical Corporation (ZOLL), previously approved by Resolution No. RS2019-28. Pursuant to this sole source agreement, ZOLL provides cardiac monitors, automated external defibrillators, accessories, and the performance of maintenance and repairs for the Nashville Fire Department. The term of the agreement is 60 months and it is set to expire on October 1, 2024.

This amendment replaces the pricing sheet in Exhibit A and adds a new Exhibit C, which is an ALS/BLS Software Solutions Master Application Service Provider Agreement. According to the sole source justification form, the software agreement will allow the use of software associated with cardiac monitors.

Fiscal Note: This amendment will not change the estimated contract life value of \$2,500,000.
