Analysis

On December 7, 2021, Reatha White was traveling northbound on Myatt Drive when she slowed her vehicle due to metal plates in the roadway covering a construction trench. Marlene Woods was a passenger in Ms. White's vehicle. An employee of the Department of Health, driving a Department of Health van, struck the rear of Ms. White's vehicle causing damage to the rear bumper.

Ms. Woods received treatment for neck and lower back pain. Her medical costs totaled \$4,785.

The Department of Law recommends settlement of this personal injury claim for \$5,815, which includes the cost of her medical treatment and pain and suffering. The Metropolitan employee was required to retake the defensive driving course.

Fiscal Note: This \$5,815 settlement, along with the settlements per Resolution Nos. RS2022-1703 and RS2022-1705 would be the 5th, 6th, and 7th payments from the Self-Insured Liability Fund in FY23 for a cumulative total of \$139,674. The fund balance would be \$12,242,837 after these payments.
