Analysis

This resolution approves the first amendment to a contract between the Metropolitan Government and Concentra Health Services, Inc., for the provision of medical services originally approved pursuant to Ordinance No. BL2019-1493.

The Metropolitan Government has established an injury-on-duty ("IOD") medical clinic for the treatment of employees who are injured by accident arising out of and in the course of employment. Section 3.24.020.D of the Metropolitan Code provides that the contract to provide medical services to employees at the IOD medical clinic shall be approved by the Council. Concentra provides four staffing members who are located at the Metro Nashville IOD Clinic at 337 21st Avenue. The clinic is staffed for 40 hours per week.

Pursuant to BL2019-1493, amendments to the contract may be approved by a resolution of Council receiving at least 21 affirmative votes.

The amendment under consideration increases the value of the contract by \$475,639, from \$4,177,051 to \$4,652,690. Exhibit A, which contains the Schedule and Pricing Information, would be replaced to reflect this change. occupational physicals, in addition to the other services provided. The original term of the agreement expires March 5, 2024, and would not be changed by this amendment.

Fiscal Note: The amended estimated value over the five-year life of this contract is \$4,652,690 to be paid from Business Unit #38151191, Fund #10101.
