### Analysis

This resolution amends Resolution No. RS2022-1356, as substituted, which appropriated \$20,000,000.00 in American Rescue Plan Act funds from Fund #30216 to create the Nashville Small Business Recovery Fund ("NSBRF").

RS2022-1356 appropriated funds to the Mayor's Office of Economic and Community Development for the creation of a program to help small businesses throughout Metropolitan Nashville a Davidson County with a focus on businesses in North Nashville/Bordeaux and the areas of distress. Pursuant to that resolution, \$9,000,000 to a grant program under the NSBRF, an additional \$9,000,000 was allocated to a Nashville Opportunity Fund managed by Pathway Lending, and \$2,000,000 was allocated to the non-profit community to provide technical assistance, marketing, and outreach to small businesses in Nashville and Davidson County.

The resolution under consideration amends the NSBRF program by amending the eligible thresholds to allow

for applicants who had less than \$1M in gross receipts for 2020 and 2021, but exceeded \$1M in gross receipts in 2022, to be eligible for a maximum loan of \$200,000. In addition, the dates of operation for business requirements would be adjusted to require that the applicant be in business for two years, since September 30, 2020. The amendment would also waive the grant or loan requirement for businesses in North Nashville zip codes to allow for previous grant recipients to now be eligible for a 2% loan.
