An ordinance to amend Section 10.60.050 of the Metropolitan Code of Laws to amend an alarm registration display requirement.

BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That Section 10.60.050 of the Metropolitan Code of Laws is amended by deleting Subsection C. and replacing it with the following:

C. The current alarm registration permit provided each permittee shall be displayed so as to be easily visible from the outside front of the building.

Section 2. This ordinance shall take effect from and after its final passage, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This ordinance amends Section 10.60.050 of the Metropolitan Code of Laws relative to the display of alarm permits.

Current law requires that alarm registration “sticker” provided to a permittee be displayed so as to be easily visible from the outside front of the building.

The ordinance under consideration would change this language to provide that the alarm registration “permit” be displayed, instead of the “sticker.”
