Analysis

This resolution amends Resolution No. RS2022-1904, which allocated $2,000,000 in American Rescue Plan Act funds to the YWCA Nashville & Middle Tennessee for repairs and infrastructure improvement to the Weaver Domestic Violence Center.

At the YWCA's request, this resolution would amend the project's scope of work to include replacement of the shelter's roof system, repair of high-traffic kitchen areas, provision of adequate staff room for frontline workers, replacement of aging flooring and bathroom fixtures, modification the facility's HVAC system, replacement of the building's security system, caulking and re-painting of all exterior joints and building surfaces, and installation of storage management systems for clients. The existing exhibit would continue to remain in effect to the extent it does not conflict with the amended legislation.
