Analysis

This resolution approves an amendment to a participation agreement between the Metropolitan Government and Tennessee Golf Foundation, originally approved by Ordinance No. BL2023-2017. The participation agreement concerns the design and construction of improvements to two golf courses in Shelby Park, including rebuilding the greens, installing new irrigation systems around the greens, constructing or repairing all cart paths, and upgrading a water pump that supplies water from the Cumberland River. Metro would pay Tennessee Golf Foundation \$2,000,000 for this work. The work is anticipated to be completed by November 30, 2024.

The resolution under consideration would amend the agreement to include work related to streambank restoration work in Shelby Park. An additional \$308,403 would be added to the cost, for a total of \$2,308,403.

Fiscal Note: This amendment will change Metropolitan Department of Parks and Recreation payment to

Tennessee Golf Foundation from \$2,000,000 to \$2,308,403 for the cost of implementing the changes as part of the streambank restoration work.
