### Analysis

This ordinance establishes the property tax relief program for low-income elderly residents of the Metropolitan Government for Fiscal Year 2024-2025. This is essentially an extension of an existing tax relief program that has been in existence for many years and is renewed annually.

Tennessee Code Annotated § 5-9-112 authorizes county legislative bodies to appropriate funds for the purpose of providing assistance to low-income elderly residents in the county on an annual basis, based on the particular needs of eligible recipients. The county legislative body is also authorized to develop guidelines for eligibility. Additionally, Tennessee Code Annotated § 67-5-702 provides that the general funds of the state shall be paid to certain low-income taxpayers 65 years of age or older in order to pay or reimburse such taxpayers for all or part of their local property taxes. For many years, Metro has provided a double match of the state funds for the program. \$6,847,000 has been included in the proposed FY25 operating budget in the Property Tax Relief Program Account.

This ordinance directs the Metropolitan Trustee to disburse funds to eligible taxpayers and further authorizes the Trustee to establish rules and procedures for implementation of the program. All persons who qualify for the state property tax relief program and whose income does not exceed a state-mandated cap of \$36,370 annually will qualify for this program. Because this budgetary appropriation is non-recurring, this program would expire June 30, 2025.

Note that this program, which provides funds to low-income elderly residents, is separate from the Property Tax Freeze Program. The income eligibility for the Property Tax Freeze Program was increased last term pursuant to state law and by adoption of RS2023-2159 but does not impact the Property Tax Relief Program that is the subject of this ordinance.

*Fiscal Note: The FY25 operating budget includes \$6,847,000, an increase of \$660,000 from the appropriation for this program in FY24, for the property tax relief program for the elderly.*
