

Metropolitan Nashville and Davidson County, TN

Legislation Text

File #: BL2024-669, **Version:** 1

An ordinance to amend Title 17 of the Metropolitan Code of Laws, the Zoning Ordinance of The Metropolitan Government of Nashville and Davidson County, by changing from SP to SP for property located at 516 Meridian Street, at the northwest corner of Treutland Avenue and Meridian Street (0.39 acres), to permit five multi-family residential units, all of which is described herein (Proposal No. 2024SP-053-001).

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That Title 17 of the Code of Laws of The Metropolitan Government of Nashville and Davidson County, is hereby amended by changing the Official Zoning Map for Metropolitan Nashville and Davidson County, which is made a part of Title 17 by reference, as follows:

By changing from SP to SP for property located at 516 Meridian Street, at the northwest corner of Treutland Avenue and Meridian Street (0.39 acres), to permit five multi-family residential units, being Property Parcel No. 024 as designated on Map 082-11 of the Official Property Identification Maps of The Metropolitan Government of Nashville and Davidson County, all of which is described by lines, words and figures on the plan that was duly considered by the Metropolitan Planning Commission, and which is on file with the Metropolitan Planning Department and Metropolitan Clerk's Department and made a part of this ordinance as though copied herein.

Section 2. Be it further enacted, that the Metropolitan Clerk is hereby authorized and directed, upon the enactment and approval of this ordinance, to cause the change to be made on Map 082-11 of said Official Zoning Map for Metropolitan Nashville and Davidson County, as set out in Section 1 of this ordinance, and to make notation thereon of reference to the date of passage and approval of this amendatory ordinance.

Section 3. Be it further enacted, that the uses of this SP shall be limited to a maximum of five multi-family residential units. Short term rental property, owner occupied, and short term rental property, not-owner occupied shall be prohibited.

Section 4. Be it further enacted, that the following conditions shall be completed, bonded or satisfied as specifically required:

1. On the corrected copy, update the height data in the site data to be consistent with the heights shown on the elevations. At the time of final SP, heights shall be measured for consistency with the preliminary SP elevations.
2. The eastern facade of Unit 2 and the southern façade of the townhome units shall have glazing, or other architectural features as to not present a blank façade.
3. Vehicular access shall be limited to the alley.
4. With the final site plan, architectural elevations consistent with the elevations provided with the preliminary SP shall be provided.
5. If bioretention area is shown in its current location, additional plantings shall be provided in the bioretention area to treat as an amenity feature. Landscape details to be evaluated by staff with review of the final SP landscape plan.
6. No master permit/HPR shall be recorded prior to final SP approval.
7. The requirements for the Metro Fire Marshal's Office for emergency vehicle access and adequate water supply for fire protection must be met prior to the issuance of any building permits.
8. Comply with all conditions and requirements of Metro reviewing agencies.
9. Final plat may be required prior to permitting.
10. The preliminary SP plan is the site plan and associated documents. If applicable, remove all notes and references

that indicate that the site plan is illustrative, conceptual, etc.

11. The final site plan shall label all internal driveways as “Private Driveways”. A note shall be added to the final site plan that the driveways shall be maintained by the Homeowner’s Association.

Section 5. Be it further enacted, a corrected copy of the preliminary SP plan incorporating the conditions of approval by Metro Council shall be provided to the Planning Department prior to or with final site plan application.

Section 6. Be it further enacted, minor modifications to the preliminary SP plan may be approved by the Planning Commission or its designee based upon final architectural, engineering or site design and actual site conditions. All modifications shall be consistent with the principles and further the objectives of the approved plan. Modifications shall not be permitted, except through an ordinance approved by Metro Council that increase the permitted density or floor area, add uses not otherwise permitted, eliminate specific conditions or requirements contained in the plan as adopted through this enacting ordinance, or add vehicular access points not currently present or approved.

Section 7. Be it further enacted, if a development standard, not including permitted uses, is absent from the SP plan and/or Council approval, the property shall be subject to the standards, regulations and requirements of the RM15 zoning district as of the date of the applicable request or application. Uses are limited as described in the Council ordinance.

Section 8. The Metropolitan Clerk is directed to publish a notice announcing such change in a newspaper of general circulation within five days following final passage.

Section 9. This Ordinance shall take effect upon publication of above said notice announcing such change in a newspaper of general circulation, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.
