An ordinance to amend Title 17 of the Metropolitan Code of Laws, the Zoning Ordinance of The Metropolitan Government of Nashville and Davidson County, by changing from R8 to SP zoning for property located at W. Trinity Lane (unnumbered), approximately 655 feet west of McKinley Street, (1 acre), to permit 17 multi-family residential units, all of which is described herein (Proposal No. 2024SP-036-001).

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That Title 17 of the Code of Laws of The Metropolitan Government of Nashville and Davidson County, is hereby amended by changing the Official Zoning Map for Metropolitan Nashville and Davidson County, which is made a part of Title 17 by reference, as follows:

By changing from R8 to SP zoning for property located at W. Trinity Lane (unnumbered), approximately 655 feet west of McKinley Street, (1 acre), to permit 17 multi-family residential units, being Property Parcel No. 238 as designated on Map 070-08 of the Official Property Identification Maps of The Metropolitan Government of Nashville and Davidson County, all of which is described by lines, words and figures on the plan that was duly considered by the Metropolitan Planning Commission, and which is on file with the Metropolitan Planning Department and Metropolitan Clerk's Department and made a part of this ordinance as though copied herein.

Section 2. Be it further enacted, that the Metropolitan Clerk is hereby authorized and directed, upon the enactment and approval of this ordinance, to cause the change to be made on Map 070-08 of said Official Zoning Map for Metropolitan Nashville and Davidson County, as set out in Section 1 of this ordinance, and to make notation thereon of reference to the date of passage and approval of this amendatory ordinance.

Section 3. Be it further enacted, that the uses of this SP shall be limited to a maximum of 17 multi-family residential units. Short Term Rental Property (STRP) owner occupied and not owner-occupied shall be prohibited.

Section 4. Be it further enacted, that the following conditions shall be completed, bonded or satisfied as specifically required:

1. On the corrected copy, update the uses in the purpose note and development summary to reflect the Permitted Uses condition.
2. On the corrected copy, remove "future roadway" label from the adjacent parcel.
3. Right-of-way dedication areas and road improvement details shall be identified on the final site plan consistent with the applicable local and/or MCSP requirements. Any additional areas of dedication not currently identified on the preliminary SP to meet road width standards shall be provided. On the corrected copy, the proposed right-of-way dedication shall be measured from the centerline of the existing right-of-way to the proposed property line.
4. On the corrected copy, remove note 14 and note 16 under the Standard SP notes.
5. On the corrected copy, remove the building elevations note under Architectural Notes and replace with: Building elevations for all units shall be provided with the final site plan.
6. On the corrected copy, remove Architectural Note C and replace with the following: Building facades shall be constructed of brick, brick veneer, stone, cast stone, cementitious siding, glass, or materials substantially similar in form and function, unless otherwise approved on detailed building elevations

included with the preliminary SP.

7. On the corrected copy, add "Maximum" after the building height in the Development Summary table and add note: No building setback required.
8. Prior to the issuance of building permits, the east/west shared access easement shall be recorded via plat. The shared access easement shall provide access to adjacent parcels to the east and west of the site.
9. A Type B landscape buffer shall be provided along the southern and eastern property boundaries with the final site plan, outside of any areas designated for shared access.
10. At final site plan, the plan shall provide additional details for dumpster screening.
11. The applicant shall continue to work with NDOT and Planning regarding the inclusion of public infrastructure if required, and public access easements to adjoining properties. With final site plan submittal, a corrected copy of the preliminary SP shall be provided to reflect final determinations.
12. With the final site plan, provide architectural elevations complying with all architectural standards and conceptual elevations outlined on the preliminary SP for review and approval.
13. Comply with all conditions and requirements of Metro Reviewing Agencies.
14. The Preliminary SP plan is the site plan and associated documents. If applicable, remove all notes and references that indicate that the site plan is illustrative, conceptual, etc.
15. The final site plan shall label all internal driveways as "Private Driveways." A note shall be added to the final site plan that the driveways shall be maintained by the Property Owners' Association.
16. No master permit/HPR shall be recorded prior to final SP approval.
17. Final plat may be required prior to permitting.
18. The requirements of the Metro Fire Marshal's Office for emergency vehicle access and adequate water supply for fire protection must be met prior to the issuance of any of any building permits.

Section 5. Be it further enacted, a corrected copy of the preliminary SP plan incorporating the conditions of approval by Metro Council shall be provided to the Planning Department prior to or with final site plan application.

Section 6. Be it further enacted, minor modifications to the preliminary SP plan may be approved by the Planning Commission or its designee based upon final architectural, engineering or site design and actual site conditions. All modifications shall be consistent with the principles and further the objectives of the approved plan. Modifications shall not be permitted, except through an ordinance approved by Metro Council that increase the permitted density or floor area, add uses not otherwise permitted, eliminate specific conditions or requirements contained in the plan as adopted through this enacting ordinance, or add vehicular access points not currently present or approved.

Section 7. Be it further enacted, if a development standard, not including permitted uses, is absent from the SP plan and/or Council approval, the property shall be subject to the standards, regulations, and requirements of the RM20-A zoning district as of the date of the applicable request or application. Uses are limited as described in the Council ordinance.

Section 8. The Metropolitan Clerk is directed to publish a notice announcing such change in a newspaper of general circulation within five days following final passage.

Section 9. This Ordinance shall take effect upon publication of above said notice announcing such change in a newspaper of general circulation, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.
