Analysis

This resolution accepts the terms of a cooperative purchasing agreement for maintenance, repair, operating supplies, industrial supplies, and related products and services for the Department of General Services. The original agreement is between Maricopa County, which is a governmental entity from the state of Arizona, and HD Supply Facilities Maintenance, Ltd. The anticipated project value is $3,000,000. The estimated savings to the Metropolitan Government by using this cooperative purchasing agreement is $345,071.

According to the Cooperative Request Review form, the pricing in the cooperative purchase agreement was leveraged through its Omnia membership and from a competitive RFP with five offers. It is unlikely that Metro would obtain a better value through a competitive solicitation. The agreement would expire on December 31, 2026.

T.C.A. § 12-3-1205(b) authorizes local governments to participate in cooperative purchasing agreements with governmental entities outside of the state as long as the goods or services were competitively procured by the other governmental entity. T.C.A. § 12-3-1205(b) further provides that local governments may participate in a master agreement by adopting a resolution accepting the terms of the master agreement.

Fiscal Note: According to the Cooperative Request Review form from the Division of Purchases, the anticipated project value is $3,000,000.
