Analysis

This resolution approves the first amendment to an in-kind grant from the Nashville Parks Foundation to the Metropolitan Board of Parks and Recreation, as previously approved by Resolution No. RS2024-176. The grant would provide the second phase of the Watkins Park Pump Track and additional improvements at Watkins Park.

The proposed amendment would increase the value of the in-kind grant from \$200,000 to \$600,000 with no cash match required. No funding will be directed to Metro. The Nashville Parks Foundation will pay for the project directly and work with Metro Parks staff on the details of plans, materials, and installation.

This grant was approved by the Metropolitan Board of Parks and Recreation at its March 3, 2026, meeting.
