**Re: Gale Lane Residential
Planning Commission Mandatory Referral 2026M-036ES-001
Council District # 17 Terry Vo, Council Member**

On behalf of the Metropolitan Planning Commission, the following item, referred to the Commission as required by the Metro Charter, has been recommended for *approval* to the Metropolitan Council:

A request for the vertical relocation of approximately 30 linear feet of existing 8-inch water main (DIP), and the abandonment of approximately 387 linear feet of existing eight-inch sanitary sewer main, one sanitary sewer manhole and associated easements, and the acceptance of approximately 428 linear feet of new eight-inch sanitary sewer main (PVC), four new sanitary sewer manholes, and associated easements, to serve the Gale Lane Residential Development.

The relevant Metro agencies (Metro Parks, Nashville Department of Transportation, Metro Water Services, Metro Emergency Communications, the Nashville Electric Service, General Services-Public Property and the Metro Historical Commission) have reviewed the proposal and concur in the recommendation for approval. This request must be approved by the Metro Council to become effective. A sketch showing the location of the request is attached to this letter.

Conditions that apply to this approval: none

This recommendation for approval is given as set forth in the Metropolitan Planning Commission Rules and Procedures. If you have any questions about this matter, please contact Delilah Rhodes at Delilah.Rhodes@nashville.gov or 615-862-7208

Sincerely,

A handwritten signature in blue ink that reads "Robert Leeman". The signature is fluid and cursive, with a long horizontal stroke at the end.

Robert Leeman, AICP
Assistant Director Land Development
Metro Planning Department
cc: *Metro Clerk*
